

**QUALITY FOR
BETTER TASTE**

Schone

FOOD SOLUTIONS

Our innovative seasoning solutions, blending expertise, premium quality ingredients, state of the art equipment and customer-centric approach are the perfect blend to satisfy your desire taste buds.

WHO WE ARE

At Schone we understand the ambition of chefs and the dream they carry. We get more curious with their curiosity, and the confidence we have to always stay ahead with our solutions is incomparable.

Our company offers food solutions that target simple specific customer requirements as well as complex and tailored consumer needs. Our products offers scale-up options while ensuring consistent quality.

Our food scientists continuously strive for desired seasonings, marinades & processing additives best for various food chains, meat, savoury & other industries.

QUALITY

We adhere Food Safety Regulations with reliable delivery. Our global taste team uses nature's best ingredients, state of the art equipment with food safety processes and new sensory science to help our customers create memorable taste experiences.

R & D

Our team of food scientists are dedicated to guaranty a premium quality standard for our customers by transferring the latest results from scientific investigations and research into their developments.
